TOWN OF THORNTOWN, INDIANA AMERICAN RESCUE PLAN ACT PLAN

Overview of Funding

American Plan Rescue Plan Act and Coronavirus State and Local Fiscal Recovery Funds

On March 11, 2021, President Joe Biden signed the American Rescue Plan Act (“ARPA”) into law. Among its many provisions intended to address the Covid-19 Pandemic, the ARPA included the Coronavirus Local Fiscal Recovery Fund (“FRF”), intended to provide local governments with funds to respond to the impact of Covid-19. The FRF funds may be used by recipients for the following four purposes:

1. To respond to the public health emergency or its negative economic impact, including assistance to households, small businesses and non-profits, or aid to impacted industries such as tourism, travel and hospitality;
2. To respond to workers performing essential work during the Covid-19 public health emergency by providing premium pay to eligible workers;
3. For the provision of government services to the extent of the reduction in revenue due to the Covid-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
4. To make necessary investments in water, sewer or broadband infrastructure.

On May 17, 2021, the United States Department of Treasury (“Treasury”) issued an Interim Final Rule providing guidance and clarifying the nature and scope of expenses eligible for payment using FRF funds. On January 6, 2022, Treasury issued a Final Rule (the “final rule”) which provided flexibility and simplifications regarding the use of the FRF funds.

Town of Thorntown’s Allocated Funding

Congress allocated the FRF funds under the ARPA to support non-entitlement units of local government (“NEUs”). The Town of Thorntown, Indiana (the “Town”) has been allocated \$356,484.46 in FRF funds, having received \$176,176.10 on August 4, 2021, \$672.13 Supplemental distribution on March 11, 2022, and \$178,914.36 on August 17, 2022.

Town of Thorntown's ARPA Plan

In accordance with guidance issued by the Indiana State Board of Accounts, the Town has adopted this Plan outlining the intended uses, amounts and justifications for its FRF expenditures. These numbers are estimates for each category and may change based on need, Covid conditions and/or bids/quotes becoming higher or lower. Likewise, projects may be added and/or removed. This Plan is to lay out a roadmap for the Town government to utilize these dollars to have the greatest overall impact on the Town, and is a flexible, living document which may be modified as necessary by the Town Council.
