Dear Colleagues,

Please find enclosed with this letter your city or town 2026 dues invoice for membership in the Indiana League of Municipal Clerks & Treasurers.

If you are not already a member, I would like to take this opportunity to invite you to join ILMCT. The League was formed in the mid 1930's and consists of City or Town Clerk-Treasurers, Clerks, City Controllers, Deputy Clerk-Treasurers, Staff, Affiliates and Honorary members.

By being an ILMCT member, you gain access to a wealth of information from cities and towns across Indiana. ILMCT exists to provide a strong network for municipal Clerk-Treasurers, Clerks, Controllers, and staff like yourself. We support professional growth through training and information sharing, encourage collaboration and resource exchange among peers, and advance the work of our respective municipalities throughout the state. We're excited about the momentum building for 2026 and look forward to seeing even more individuals benefit from these valuable resources.

Once you pay your membership dues, you become part of one of the most professional and dedicated groups in the State of Indiana. The League offers numerous opportunities for continuing education through Institute/Academy classes, ILMCT Annual Conference sessions, and State Board of Accounts state-called meetings. These events bring in representatives from various state and federal agencies to share the latest information relevant to our daily responsibilities. This membership is also cost-effective, providing reduced registration fees for many of these educational opportunities.
