2023 Ford F-250/F-350/F-450/F-550 FloorLiner

In the quest for the most advanced concept in floor protection, the talented designers and engineers at WeatherTech have worked tirelessly to develop the most advanced floor protection available today!

The WeatherTech FloorLiner accurately and completely lines the interior carpet giving "absolute interior protection"! The WeatherTech FloorLiner lines the interior carpet up the front, back and even up the sides of the 2023 Ford F-250/F-350/F-450/F-550's footwell. Digital laser measurements of interior surfaces offer a consistently perfect fit!

A patented High-Density Tri-Extruded (HDTE) material allows for a rigid core for strength while offering surface friction to the carpet, as well as tactile feel to the surface! Advanced surfacing creates channels that carry fluids and debris to a lower reservoir with further channeling to help minimize fluid movement while driving! Once fluids become trapped in the reservoir, away from shoes and clothing, they are easily removed from the WeatherTech FloorLiner over the door sill. No muss-no fuss!

WeatherTech, where Technology and All Weather Protection meet!

Rear FloorLiner

The rear FloorLiner incorporates many of the same design features as the front FloorLiner and (where offered) is manufactured from a proprietary custom blended TPO (thermopolyolefin) that is not only wear resistant, but also remains flexible under extreme temperatures. The Rear FloorLiner is either one piece or two piece depending on the vehicle application.

Helps Protect Resale Value

Our FloorLiners help protect resale value too! Simply put, the cost of owning a vehicle is the difference between what you pay for it and what you sell it for. There are many factors that influence resale value; miles, exterior condition, maintenance history and of course interior condition. The FloorLiner is proudly designed, engineered and manufactured with American made tooling in the USA.

The FloorLiner is designed for vehicles with factory carpet installed when manufactured. They will not fit vehicles with vinyl floors unless otherwise specified. Please take your old floor mats out before installing your new WeatherTech FloorLiner.

Please note that the on-screen color representations are not necessarily precise representations of actual product colors due to variance in monitor calibrations.

Lifetime Limited Warranty

[Return to Lifetime Limited Warranty tab](#)

WeatherTech Direct, LLC warrants that our products will be free from any defects in materials and workmanship for the life of the original purchaser and only for the original vehicle they were installed in. That does not mean that a product that simply and naturally wears out from normal use is a candidate for a warranty replacement or a refund. Like tires, brake pads or the shoes on your feet, everything wears out and when it does, that does not mean you did not receive good value for your money.
